Five feet tall,
Five years long from
Now you'll be out
On your own.

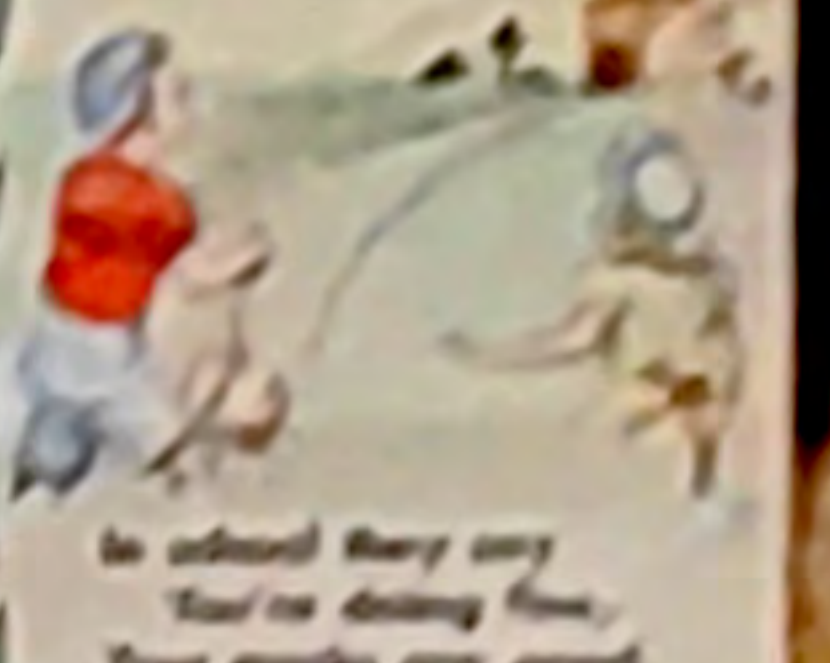

Using the phone
is not so fast
The rest of us are
Just stuck in line.

How the lawn,
Pull up the weeds
For extra money
For your needs.

Make and play
In the right amount
Are the things
That really count.

Be careful they say
You're doing fine,
Your marks are good
Right down the line.

And all this stuff
You've got the height
To ride a bicycle
All right.

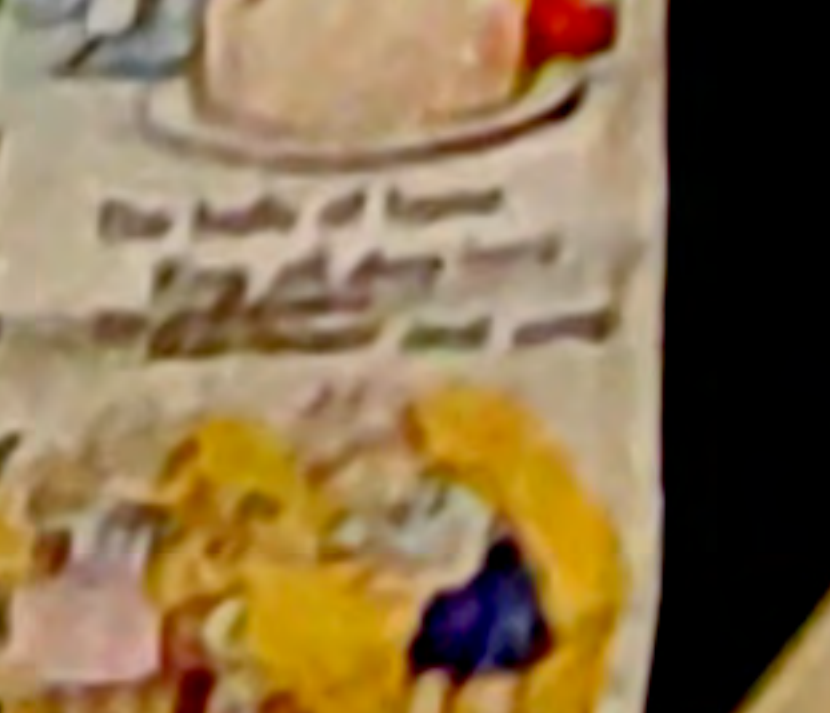

You always have had
Wasting your milk
But not making candy
It supports.

Some kids will be
Good to you
A good long
A good long.

It won't be good
And the whole lot
Partners with me
A good little cup.

The kids of home
They play
And playing is
The baby's life.
